

## Mediation of service providers

### Exclusivity meets extra class

You are looking for a special service provider?

- A bubble machine that will receive you after the wedding?
- Butterflies, an extravagant wedding car or a photo box with instant printer?
- Special artists that really enchant your guests, or a very nice and reliable childcare?
- The invitation or menu card, which is guaranteed to be yours only, because they are designed by a professional graphic artist according to your wishes?
- A catering company that keeps your wine selection, uses only organic produce, or conjures up your Hawaiian menu?
- You want to supplement your menu chocolate fountain, ice sculptures or a wedding cake, but everything is not classic?
- A free speaker who really touches you?
- Live music that guarantees your song is perfect and brings the guests down to parquet, or appointments in a bridal shop that carries exclusive, affordable models?
- Photographers who capture your most wonderful moments in every location and can switch to a studio as a bad weather alternative?
- Exclusive jewelers who design the rings to your specifications?
- Furniture for exceptional lounges, bars or tents for outdoor weddings?
- Stylists who put you in the spotlight?

We'll give you two to three service providers available for your appointment and fit into your price ideas. You will receive a list of certified contact persons, their contact details, performance overview and other relevant information. All our agency discounts will be given to you.
