

Package Location Search

We will find your dream location

If you already have the idea of your ideal wedding location in mind, but you do not have time to go looking for it, or if you do not know exactly where and how you want to celebrate and want something special, then the package search package is the right place for you.

We find the perfect castle, castle, tower room, alpine pasture, skybar, forest clearing, festival hall, restaurant, wine cellar, casino, golf club, ballroom, brewery, club, orangery, theater house, old power station, football lounge, aircraft hangar, outdoor area with tent, ship, Farm or just your idea!

We have developed an extensive database in which you will find your dream location.

The wedding location package includes the following services:

- Preliminary discussion with the bridal couple. We clarify your concerns, your questions and wishes regarding the location
- Three to five suggestions for your wedding location, available at your appointment, to fit your needs and your budget
- You will receive a list of contact persons, their contact details, performance overview, pictures and other relevant information such as table shapes and costs. We option the locations for you, so you can decide in peace
- This package contains up to two personal meetings

This package can be extended with individual services and we accompany you with your further preparations, or with other packages such as the DIY package, the package Deco & Design and the package master of ceremonies
